Re: Freedom of Information Act Request

Dear Sir: This is a request for information under the Freedom of Information Act, 5 U.S.C. subsection 552.

I request an unredacted copy of the article "A Lingering Tragedy" that appeared in redacted form in the summer 1981 issue of the CIA journal Studies in Intelligence. In particular, I want to know the name of the author of the article.

To help you determine my status with respect to assessment of fees, you should know that:
a. The information I seek directly concerns the operations of the Federal Government.

b. I have attempted without success to obtain the requested information from NARA and public libraries.

c. I am an independent history researcher [redacted]

[redacted]

d. I plan to report the results of my research on Wallenberg in newspapers and in academic journals for which no (or only token) fee will be paid.

In the event that you determine that I am not eligible for a fee waiver, I am willing to pay for fees up to $20.

If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

Very truly yours,

[redacted]
